MEADOWOOD

Napa Valley

As the Founding Partner of a Relais & Chateau Resort in the Napa Valley, I have been asked to provide a letter of reference for Marc Logan and his company, Greenway Golf.

Meadowood Resort is known for having the finest features and amenities throughout the property. After almost 50 years, our golf course needed a complete renovation. Greenway Golf had previously done some work for us and we had found them to be professional in every aspect. We hired Marc and his company to do the renovation and to maintain the course once completed. They delivered as promised even though the job turned out to be much more complex than anticipated due to discovering large amounts of subterranean rock. The renovation was completed on time and on budget in spite of the numerous challenges.

Since the course re-opened last month the reviews have been very positive. Our Head Pro, Doug Pike, recently commented that the course is in the best condition it has ever been. It is without hesitation that I recommend Greenway Golf. Their course maintenance's expertise is exceptional in all facets of construction, course conditioning, and greens management, and you will be pleased with your decision to have hired Marc and his team at Greenway Golf.

Sincerely,

H. William Harlan
